Registration is open now and continues through Friday, September 15th.

MONDAYS

September 18th — November 27th
No Class: October 9th
[10 Weeks]

ISEE TEST PREP:

To ease the nerve-racking process of preparing for private school admissions testing, we are offering an Independent School Entrance Exam (ISEE) Test Prep class. Ten weekly sessions of comprehensive test prep will focus on all aspects of the test, including Verbal and Quantitative Reasoning, Reading Comprehension, Mathematics Achievement and the written essay. The cost of the class includes an ISEE text prep study guide.

Class

Minimum: 3 students

Ages: Upper Elementary
5th & 6th Year Students

Time: 1:30—2:30 pm
(during school day)

Fee: \$350

Instructor: Sinead Walsh

Sinead is the parent of two Adams Montessori alumni, chair of our Adams Montessori board, a former college professor, and an experienced ISEE test tutor.

TUESDAYS

September 26th—December 12th
[12 Weeks]

LEGO STRUCTURES:

Become a junior builder and make amazing LEGO creations! You will learn core structural engineering concepts while using your imagination to build cool creations like towers, bridges and castles. So while your buildings will look amazing on the outside, they will be rock-solid on the inside, ready to withstand an onslaught from earthquakes, boulders, and even hurricanes.

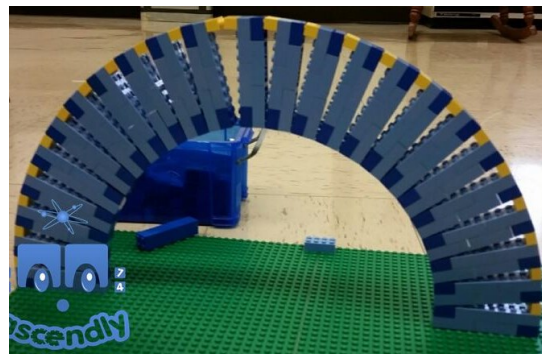

Students who signed up for this class last year loved it!!!

Ages: Lower elementary students

Time: 3:30—4:45 pm

Fee: \$360

Instructor: Patricia McGaffigan
Ascendly, LLC

THURSDAYS

September 27th — December 21st
No Class: Oct. 26th & Nov. 23rd

EXPLORING ART

Put down the record keeping, the chapter books and the math materials! It's time to explore the world of art. Join us to express your creativity in and out of the box! Things could get messy. We will be drawing, painting, making collages, printing and using found materials to create unique designs and works of art. All materials are included.

Ages: All elementary

Time: 3:30 - 4:30 pm

Fee: \$300

Instructor: Rim Yea

Rim is a beloved assistant in our Willow Room, our former after care assistant, a teacher in our summer camp, and has taught art classes to children for many years (including at the South Shore YMCA). She holds both a bachelor's and master's degree in fine arts.
